

CORPORATE SOCIAL RESPONSIBILITY

VISION

**“Be a dynamic network of stakeholders
to advance sustainability for global
good”**

2008 Activities

All of our activities make up the collection, and they benefit from being viewed as a whole rather than singly.

- **Membership Building**
- **Sustainability Reports**
- **CSR Student Chapters**
- **Extensive Academic Network**
- **Distinguished Lectures**
- **Joint Forums**
- **Case Study Project**
- **Seminars, Conferences, Workshops**

Platform for Learning

- **Engaging People**

businesses, academia, students, public sector and NGOs

- **Awareness Building**

on/off-line project open to the public

- **Capacity Building**

series of business-insights and academic-insights projects which provide platform for the public to share their perspectives and challenges

- **Sharing the CSR journey**

all of the above to benchmark company's practices against others

Moving Forward

To scale up our activities.....

- **Manpower**
- **Local / International Recognition**
- **Financial Support**
