What is the purpose of our activity?

Red Pacto Mundial
España

What has worked well? (II)

What?

- ✓ Working Groups to share experiences regarding the elaboration of the COP
- ✓ Public screening on company's management practices from a COP perspective

Why?

- ✓ We guide the COP focal point through the COP's elaboration process

Measurement

- ✓ Due to the success of this activity, we a new workshop will be organized in Barcelona (13/11/08)

Red Pacto Mundial
España

What has worked well? (III)

What?

- ✓ Training best practices session
- ✓ Participants presents their progress regarding the implementation of the 10 Principles

Why?

- ✓ We feature good practices
- ✓ We support good initiative

Measurement

- ✓ In our annual survey, this activity has been graded as 7,44 out of 10

Red Pacto Mundial
España

What will it take to scale up these activities?

Lessons we learned

- ✓ Closer contact with companies
- ✓ Better respond to GC participant's demands
- ✓ More dialogue and solutions in the implementation of the 10 principles
- ✓ More involvement in business activities

What is next?

- ✓ Extend our activities all around Spain
 - ✓ Create alliances to improve our knowledge
 - ✓ Offer tailored programs to satisfy CSR demands
 - ✓ Improve our analysis of the COP and sustainability report (XBRL)
-
