Objectives:

- To present the Guidance for Companies and Shareholders "Responsible Business in Conflict-Affected and High Risk Areas";
- To provide a multi-stakeholder forum for discussion on the ways in which to promote responsible business practices in difficult operating environments;
- To provide Global Compact participants and other stakeholders with an opportunity to share experiences and lesson learned and to profile inspiring examples of business promoting peace and development by advancing the Global Compact principles;
- To raise awareness about the UN Global Compact and the role of the private sector in conflict-prevention and peace-building.

Program:

The workshop will bring together company representatives, investors, academics, UN officials and other experts from Japan and from across Asia to discuss the Guidance document entitled "Responsible Business in Conflict-Affected and High Risk Areas: Guidance for Companies & Shareholders". Participants will discuss the relevance of this document to the Asian business community while focusing on how the Guidance can be implemented by Asian companies operating in conflict-affected/high risk areas.
