Foundation for the Global Compact

Job Opening | Coordinator – Marketing – Asia-Pacific

Posting Title: Coordinator – Marketing – Asia-Pacific
Location: New York, NY

--------------

POSITION SUMMARY

The Marketing Coordinator will support the efforts of the Foundation for the Global Compact to attract more businesses to join the UN Global Compact initiative and to contribute to the delivery of the UN Sustainable Development Goals (Global Goals).

DUTIES AND RESPONSIBILITIES

The United Nations Global Compact is undergoing a strategic transformation to enable it to mobilize a growing global movement of responsible companies and organizations to create the world we all want. To do this, the Compact is gearing up its efforts to support businesses through tools, training, and other measures, and to provide them with opportunities — including through partnerships, campaigning and advocacy — to efficiently shape their strategies and operations to help deliver the Global Goals. The Coordinator will be responsible for attracting more responsible businesses to join the movement through business-to-business marketing practices and through all channels with digital being the lead.

The role will support the growth agenda and help lead the UN Global Compact through the change required to attract and retain more active companies committed to the cause.

Specific responsibilities which will contribute to this goal are:

- Manage the execution of regional marketing strategies to build membership of the UN Global Compact in the Asia-Pacific region
- Support content marketing initiatives to drive traffic, engagement, and leads, that deliver recruitment and participant retention.
- Manage end-to-end lead generation marketing campaigns including: content, outline and design, production, segmentation and targeting, and campaign reporting and analysis
- Develop and execute a variety of marketing tactics including webinar coordination, podcasts, blog, email marketing, social media, thought leadership, digital advertising, sales enablement, and events
- Manage, monitor and execute day-to-day paid social advertising across Twitter, Facebook, LinkedIn, Instagram, etc.
- Utilize data & insights to continuously refine campaigns in order to increase audience awareness, acquisition and retention
- Manage the UN Global Compact marketing calendar — prioritising communications, events, and initiatives that engage participants
- Develop marketing materials to facilitate the smooth launch and communication of new, leading-edge sustainability tools, training and support to businesses that are developing and delivering their sustainable development strategies and plans
- Support the implementation of the digital marketing transformation to enable scale engagement and acquisition of business members and ongoing support to these businesses
- Manage campaign timelines, schedules and communications to key stakeholders

RESULTS EXPECTED

- Increased number of companies joining the UN Global Compact
- Increased awareness of the UN Global Compact and its reputation as the leading sustainability organisation
- Increased awareness of the work the UN Global Compact does to help businesses take actions to deliver the Global Goals as measured by increased media engagement and reach
