FREQUENTLY ASKED QUESTIONS
QUESTIONS FROM COMPANIES

1. What is the UN Global Compact Academy?

The UN Global Compact Academy is the premier learning platform for sustainable companies. It is designed to help businesses gain the knowledge and skills they need to meet their sustainability objectives, mitigate business risk and achieve long-term growth.

Available to companies engaging with the UN Global Compact at the Participant level, the Academy gives users access to:

- **Virtual Sessions**: Expert-led and interactive how-to sessions designed to help companies take action within their own company for a more sustainable future
- **E-Learning Courses**: E-learning tools and resources will help participants learn key concepts anytime, anywhere
- **Influencer Series**: Designed to provide businesses with intimate access to some of the most prominent leaders from the United Nations and companies shaping the sustainability agenda
- **Online Community**: Provides access to a global community of sustainable businesses

2. Who is the Academy for?

The UN Global Compact Academy is exclusively available for companies engaging with the UN Global Compact at the Participant level. [Click here to learn more about the UN Global Compact engagement tiers and how to upgrade your company's level of participation.]

The Academy offerings are designed for a corporate audience. Regardless of your corporate function or where your company is in its sustainability journey, the Academy offers solutions and a highly engaged learning community.

3. What are the scope and topics addressed by the Academy?

Delivered through a series of learning sessions taught by world-class experts and partners, the UN Global Compact Academy covers a range of topics focusing on the Ten Principles of the UN Global Compact and the Global Goals.

4. What is the format of the Academy sessions?

The UN Global Compact Academy offers a blend of expert-led and interactive how-to sessions, e-learning courses, and a series of influencer sessions of varying duration and level. The online Academy sessions are easily accessible anytime, anywhere. In the future, the Academy will expand to in-person learning opportunities, often organized during key UN Global Compact events and in collaboration with Local Networks.

5. How can companies access and register for the Academy learning sessions?

The Academy Learning Platform ([academy.unglobalcompact.org](http://academy.unglobalcompact.org)) is a one-stop shop for your engagement with the Academy. On the platform, you will be able to enroll in sessions, access on-demand learning resources, download certificates and track your progress. [Click here](http://academy.unglobalcompact.org) to watch a short video introducing the Learning Platform.
Are the Academy sessions offered in multiple languages?

The Academy offers learning resources in English, Spanish, Portuguese, French, and Chinese.

How many representatives of a company can access the Academy?

At this time, there is no limit to the number of users per company.

What devices can I use to access the UN Global Compact Academy?

You can access the Academy Learning Platform on your desktop computer, tablet, as well as on mobile devices; however, we recommend the desktop experience for the best user experience. On mobile devices, the Academy utilizes the Docebo Go.Learn mobile app, which is available for both Android and iOS devices. You can download the application by searching for ‘Go.Learn’ in the App Store or in the Google Play Store.

How do I log in to the Academy Learning Platform?

UN Global Compact Participants can log in to the Academy Learning Platform by using their UN Global Compact Dashboard username and password. Watch this video for more information about how to log in. To request a new username or password, please click here or contact the UN Global Compact team at info@unglobalcompact.org.

Is there any content that will remain open to everyone?

The Influencer Series — designed to provide businesses with intimate access to some of the most prominent leaders from the United Nations and companies shaping the sustainability agenda — will continue to be publicly available to everyone.

Can I suggest topics to be covered by the Academy?

The UN Global Compact is currently developing new Academy sessions. The sessions are developed in consultation with the UN Global Compact Expert Network and with input from UN Global Compact Participants and Global Compact Local Networks. We warmly welcome your suggestions for future Academy Sessions — please email them to us at academy@unglobalcompact.org.

Does the Academy work with partners?

With the Academy, the UN Global Compact seeks to accelerate the mainstreaming of sustainable business practices, and we are eager to leverage the valuable expertise of our partners and stakeholders to offer the best learning experience to our Participants.
