MAKING GLOBAL GOALS LOCAL BUSINESS
INDIA 26-27 April 2017

Sponsorship Prospectus

United Nations Global Compact
Let’s get to work to deliver the SDGs by 2030

India is among the fastest growing markets in the world with an average economic growth rate of 7.26% and foreign capital inflows of over US$ 31 billion. With nearly a third of its 1.2 billion people living in poverty, India’s rate of progress on the Sustainable Development Goals (SDGs) is crucial to creating the world we want.
We invite you to sponsor our *Making Global Goals Local Business – India*, to be held in New Delhi from 26-27 April 2017.

Your sponsorship will help us unite over 300 global and local leaders to explore the transformative platforms and partnerships needed to advance the Sustainable Development Goals (SDGs).

As one of the fastest growing markets in the world, India represents an exciting backdrop for participants to gain critical insight on how responsible business action can drive breakthrough solutions to create new market opportunities that help meet the SDGs in India and throughout the region.

Your generous support will help make this possible.
