Exploring Regional SDG Action

Explore YES Bank’s “Say Yes to Sustainable MSMEs in India” project
- 1,000 organizations and 12,500 workers reached to date
- Promotes environmental sustainability, energy efficiency (Goal 7) and occupational health and Goal 8) through training and capacity building

Discover Maruti Suzuki’s community engagement and social projects
- Learn about the challenges and opportunities of implementing these projects on-the-ground
- Explore Maruti Suzuki’s issue areas, including road safety and infrastructure training

Find out how Jaipur Rugs delivers sustainable livelihood opportunities and empower entire communities
- Connects rural India to global markets through the sale of handcrafted home goods
- As 70% of India’s population is rural, growth in this area is critical for the 2030 Agenda

Site Visit
Wednesday, 26 April
8:00 – 13:00
Explore local examples of sustainable business solutions that are advancing progress on the SDGs in India. Gain hands-on experience and inspiration by interacting closely with local action being taken in a variety of sectors. Transportation will be provided – Participants should arrive to the basement floor of the Le Méridien Hotel by 8:00 am. Buses will leave the hotel at 8:30am sharp.
