Collective Action for Anti-Corruption

Thursday, 27 April 2017
8:30 – 10:00
Room: Inspire

Engage with peers, Government, civil society and other stakeholders to discuss best practices to advance Collective Action for anti-corruption and transparency. Focus on local examples of grassroots collaboration in the pursuit of anti-corruption and discuss implementation practices. Explore various approaches to combatting corruption and the essential role integrity plays in our organizations.

Facilitator: Cobus de Swardt, Special Representative, Transparency International

8:30-8:45 Engaging in Collective Action

Why is it important for business to support Collective Action initiatives for translating global standards into local practices?

- Neville Gandhi, Vice President Compliance, Siemens AG

8:45-9:00 Advancing Integrity and Transparency at the Local Level

Hear from local facilitators on the challenges and opportunities of implementing Collective Action initiatives and discuss the impact of working at the grassroots level.

- Vanessa Tarantini, Partnerships and Engagement Coordinator, Global Compact Network Brazil
- Ashutosh Mishra, Consultant Collective Action, Confederation of Indian Industry

9:00-9:50 Mobilizing stakeholders for Collective Action – Interactive Discussion

Take part in an interactive discussion that explores ways in which stakeholders can be mobilized to take concerted efforts for advancing anti-corruption and transparency.

- Moderator: Cobus de Swardt, Special Representative, Transparency International

9:50-10:00 Looking Ahead

Establish key outcomes and explore avenues for engagement with the UN

For more information on the UN Global Compact’s new Action Platforms, visit www.unglobalcompact.org/sdgs/action-platforms
Global Compact and its partners on anti-corruption and transparency issues.

- Neha Das, Manager, Governance and Anti-Corruption, UN Global Compact
- Cobus de Swardt, Special Representative, Transparency International
