Health is Everyone's Business

**Thursday, 27 April 2017**
**10:30 – 12:00**
**Room: Desire**

Be at the forefront of the next sustainability frontier—health and wellbeing and explore the UN Global Compact’s new **Health is Everyone’s Business Action Platform**. Hear from experts on the connections between the rise in non-communicable diseases and rapid urban development. Discuss how the way we live, eat, work and play impacts our communities and our climate. Articulate the role of business at both the individual and collective level in supporting good health for all.

**Facilitator:** Caroline Stanger, Director of Clinical Leadership, Bupa, Chief Medical Officers Network
