Mister
George Kell, Director
GLOBAL COMPACT NETWORK UNITED NATIONS
New York.

Dear mister Kell,

We have to report our COP on January 17, 2013. We kindly request an extension of 60 days for the submission of our Communication of Progress (COP), for March 17, 2013. The main reason is that this is our first report and we are obtaining information and learning about the policies of the Global Compact Network.

We appreciate your attention to this letter and expect confirmation of this extension.

Muy atentamente,

PKF & CO.
