Subject: Confirmation of Ingenico Group's continued support for the United Nations Global Compact

Dear Stakeholders,

Ingenico Group decided in 2015 to support the ten principles of the Global Compact with respect to human rights, labour, environment and anti-corruption, and to implement those principles within our company.

I am pleased to confirm our continued support for the Global Compact and renew our ongoing commitment to the initiative and its principles. With this communication, I am expressing our intent to further implement those principles.

Practical actions taken by Ingenico Group in the last year are summarized in our Communication on Progress, and are more detailed in the Corporate Social Responsibility report included in our 2016 Registration Document. We are committed to share this information with our stakeholders using our primary channels of communication.

Sincerely yours,

Philippe Lazare
Chairman and Chief Executive Officer
