

12 April 2018

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to an unforeseen political unrest which caused disruption and in some cases disruption of traffic in some areas of the capital. Our report team was unable to collect and compile data on time due to absence of several stakeholders during the last few days.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 30 April 2018 at the latest.

Sincerely yours,

Ms. Ayesha Haque
Head of CSR
