Dear Mr. Secretary-General,
As an acknowledgement of world's concern over Corporate Social Responsibility, Good Governance and Green Business, we participate in United Nations Global Compact to develop a market for sustainable business.

I am pleased to confirm that Green Standard Certification Program supports the ten principles of the UN Global Compact with respect to human rights, labour, environment, and anti-corruption. With this commitment, we express our intent to advance these principles within our sphere of influence, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to take part in the activities of the UN Global Compact where appropriate and feasible – through, for instance, participation in Country/Local Networks; involvement in specialized initiatives and work streams; engagement in partnership projects; and reviewing and providing commentary to participating companies on their Communications on Progress.

Our Organization Green Standard Certification Program has been developed to include requirements for Green Approaches to business, including methodology for Sustainable Business development for a Safe, Healthy and Green Environment, and to the delivery of Green Products and Services and by this we align the UN Global Compact principles. More details are available on official website at www.green-certificate.com.

We therefore, commit to Global Compact and its principles through the application of Green Approaches those enables organizations to deliver Green Products and Services for sustainable business.
