Dear Mr. Secretary-General,

I am pleased to confirm that this Intergovernmental Organization 'EDU', supports the ten principles of the UN Global Compact with respect to human rights, labor, environment and anti-corruption.

With this commitment, we express our intent to advance these principles within our sphere of influence, and will make a clear statement of this commitment to our stakeholders, partnered organizations, participating institutions of higher learning and the general public.

We also pledge to take part in the activities of the UN Global Compact where appropriate and feasible – through, for instance, participation in Country/Local Networks: involvement in specialized initiatives and workstreams; engagement in partnership projects; and reviewing and providing to participating companies on their Communications on Progress.

Sincerely yours,
