Luxembourg, December 16, 2013

Dear Mr Secretary General,

I am pleased to confirm that LuxairGroup, Luxair S.A., Luxembourg’s flagship airline carrier, supports the ten principles of the Global Compact relating to human rights, labour, environmental and anti-corruption.

With this communication, we express our intent to implement those principles. We are committed to making the Global Compact and its principles part of the strategy, culture and day-to-day operations of our company, and to engaging in collaborative projects which advance the broader development goals of the United Nations, particularly the Millennium Development Goals. LuxairGroup, Luxair S.A. will make a clear statement of this commitment to our stakeholders and the general public.

We recognize that a key requirement for participation in the Global Compact is the annual submission of a Communication on Progress (COP) that describes our company’s efforts to implement the ten principles. We support public accountability and transparency, and therefore commit to report on progress within one year of joining the Global Compact, and annually thereafter according to the Global Compact COP policy.

Please be informed that Gilles Delattre, CSR Coordinator at LuxairGroup (tel. (+352) 24 56 41 01 / e-mail: gilles.delattre@luxairgroup.lu), will be the primary contact point and will be responsible for any future interactions between LuxairGroup and the UNGC representatives.

Sincerely yours,

Adrien Ney
