Dear Mr. Secretary -General,

I am pleased to confirm that the intergovernmental *World Nature Organization (WNO) / Organisation Mondiale de la Nature (OMN)* supports the ten principles of the UN Global Compact with respect to Human rights, labour, environment and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UN Global Compact in the following ways: participation in Global Compact Local Networks, joining and/or proposing partnership projects, internalizing the Global Compact and engaging companies, joining and/or supporting special initiatives and work streams and participating in global, regional and local events.

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter according to the Global Compact COE policy.

Sincerely yours,
WORLD NATURE ORGANIZATION (WNO)
ORGANISATION MONDIALE DE LA NATURE (OMN)
